

# Your Invitation to Voyage...

## Professional Trip Designing for the Inquisitive, Independent & Intrepid

Does the glut of travel information overwhelm you? Searching for the kind of vacation you want can be work rather than play. As a travel professional, I have years of experience navigating through the rough seas of our information age. Terra Nova’s philosophy is if I do not know the answers to your travel inquiries from personal experience, I know where to find them.

# The Best of Morocco

## Discover the Magic, the Mystery, and Incredible Flavors of Morocco

A slideshow tour of the highlights of my trip from Rabat, Chefchouan, Volulblis, Fes, the desert, Skoura, Asni, Marrakech, and Essaouria.
